# Independent Auditor's Review Report on Unaudited Standalone quarterly and year to date financial results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To, The Board of Directors Ujjivan Financial Services Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of Ujjivan Financial Services Limited ('the Company') for the quarter ended September 30, 2020 and the year to-date results for the period April 01, 2020 to September 30, 2020 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Regulation').
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether financial results are free of material misstatements. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 8 to the unaudited standalone financial results, which describes the extent to which the SARS-COV-2 virus responsible for the COVID-19 Pandemic will impact the subsidiary's financial results. Consequentially, the impact on the carrying value of investment of subsidiary in the books of the Company will depend on the future developments which the Company is unable to assess currently.

Our conclusion is not modified in respect of this matter.

- 7 The figures for the second quarter in each of the financial years are the balancing figures between limited reviewed figures in respect of the half year end and the published year to date figures up to the end of the first quarter of the respective financial year.
- 8 Consequent to the outbreak of COVID-19 pandemic, on March 24, 2020, the Indian government announced lockdown across the country to contain the spread of the virus. Subsequently, the lockdown has been lifted by the government for certain activities in a phased manner outside specified containment zones. The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activity, which may persist even after the restrictions related to the COVID-19 outbreak are lifted. Numerous government and companies, including our subsidiary, Ujjivan Small Finance Bank Limited ('the Bank'), have introduced a variety of measures to contain the spread of virus.

The Bank's results were declared on November 07, 2020 and has made total provision of Rs 7,000 lakhs for COVID-19 as on March 31, 2020 out of which Rs 4,586 lakhs was in respect of accounts in default but standard against the potential impact of COVID-19. Further, the Bank has made additional provision of Rs 12,900 lakhs and Rs. 10,000 lakhs during the quarter ended June 30, 2020 and September 30, 2020 respectively against the potential impact of COVID-19 on standard assets based on all the available information at this point in time. The provisions held by Bank are in excess of the RBI norms.

Further, in accordance with the RBI guidelines relating to 'COVID-19 Regulatory Package' dated March 27, 2020 and April 17, 2020, the Bank has granted a moratorium of three months on the payment of all instalments and / or interest, as applicable, to all eligible borrowers. In line with the additional Regulatory Package guidelines dated May 23, 2020, the Bank granted a second three months moratorium on instalments or interest, as applicable, due between June 1, 2020 and August 31, 2020 to eligible borrowers. For all such accounts where the moratorium is granted, the asset classification shall remain stand still during the moratorium period (i.e., the number of days past-due shall exclude the moratorium period for the purposes of asset classification under the Income Recognition, Asset Classification and Provisioning Norms).

The extent to which the COVID-19 pandemic will impact the subsidiary's results will depend on future developments and which the Group is unable to assess currently, including among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the subsidiary.

9 Previous period / year figures have been reclassified / re-grouped, wherever necessary, to confirm with current period classification / grouping.
